

ORing Product EOL Notice

Issue Date:2018/4/19

Phase-out Model : ISC-1310 Series

Dear Partners :

ORing appreciates your support for our industrial Ethernet business.

Due to EOL of main chipset, ISC-1310 Series is forced to be discontinued after current stock.

Unfortunately we don't have replacement at this stage.

Once it's available, we will keep you informed.

EOL ordering numbers	Replacement ordering numbers	Phase out reason
ISC-1310 Series	Not available now.	Main chip phased out and product enhancement

Last Buy Date : Not available.

However, please do not hesitate to contact us if you have any further comments.

Yours truly,

ORing Industrial Networking Corp.
