# iEi Products Change Notice

**Status: Running Change**

Dear valued partner,

IEI is initiating a conversion for AFL2-W19A(B)-H61 Series where products will undergo the following changes, and please find attachment A for detailed revision models.

## System Changes:

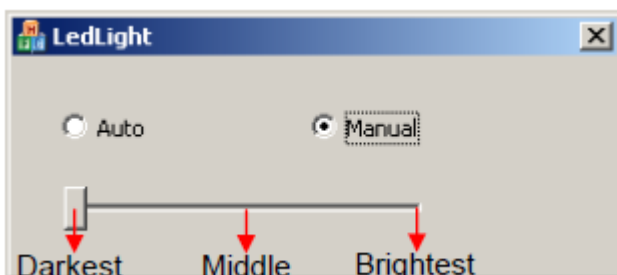

1. **Function key is changed from mechanical key to membrane keypad for product reliability enhancement**

2. **Luminance of function indicator and IEI Logo indicator can be configured by 3 luminance level (Darkest, middle, and brightest) and auto control by environmental brightness .**

**And IEI will provide AP program to help you to manage the luminance of indicators!**

**Affected Item:**
