

Product Change Notification

PCN#: CIR-P20161214

Subject: Product Change Notice for Cervoz Industrial RAM Modules

Model: CIR-W3xxIxxxxG / CIR-W3xxIKxxxxG

Reason for Change: ISSI upgrades DDR3 2Gb(256Mx8) & 4Gb(512Mx8) die in order to advance function: supports dual voltage, 1.5v and 1.35v.

Description: Therefore Cervoz adopts the new die version and announces a “Product Change Notice” of all related products. The new die has the same fit and form as the old die.
