Please take care that the availability of this product at the distributors may be different than the availability from Western Digital to the distributors. This is dependent on the orders and the stock levels of our distributors. The date of the last shipment from the distributor to you may be different than the date mentioned above. To check the product availability please get in touch with your contact at your distributor.

This mail should give you a general indication about the future availability in the distribution channel.

If you have a colleague, who also might be interested in EOL information, please tell me his name and email address. If you don't like to be on distribution, please also send me a short notice.

Please feel free to contact me, if you have any questions.

Best Regards

Uwe Kemmer
