

## **Product Change Notification**

**PCN#: MEC-20150206**

**Subject:** Product Change Notice for Cervoz Mini-PCIe Expansion Card / Ethernet Solution

**Model:** MEC-LAN-M002

**Reason for Change:** Switch IC EOL

**Description:** After PLX Technology is acquired by Avago Technologies, PLX phases out PLX 8603 chip, Cervoz replaces MEC-LAN-M002 with Pericom PI7C9X2G304SL chip. The new model has the same fit, form and functions as the old one.

<b>Products Affected:</b>	<b>Replacement Models</b>
MEC-LAN-M002	MEC-LAN-M002-R1

**Please note:**

- 1) Replacement models are available by 2015.04.30

This transition is to ensure a better lead-time and long-term product availability of Cervoz Mini-PCIe Expansion Card. Quality, reliability and functionalities of the replacement Expansion Card remain exactly the same.

Sincerely yours,

*Niki Chiang*
