

## Product Change Notification

**PCN#: CIF-P20160824**

**Subject:** Product Change Notice for Cervoz Industrial SSD

**Product:** 2.5" SATA SSD M331 Family

**Key Characteristics of the Change:** Product Firmware

**Description:** Firmware for the 2.5" SATA SSD M331 Family is updated from revision O0918B to P0614B. P0614B includes following changes:

1. Enhance the crystal frequency from SATA interface during the resume process.
2. Improve divided crystal frequency in the shutdown process of DEVSLP function.
3. Improve sequential read performance for 4-plane 16K-page devices.

This change enhances the product compatibility and reliability. There is no difference in functionality, performance and no impact to the customer's application.

**Effective Date: 2016.08.24**

<b>Family and Form Factor Affected: 2.5" SATA SSD M331 Family</b>		
Model Names	Current F/W	New F/W
CIS-2SM331MJB064GS	O0918B	P0614B
CIS-2SM331MJB128GS		
CIS-2SM331MKB256GS		
CIS-2SM331MLB512GS		

Cervoz apologizes for any inconvenience caused.

Sincerely yours,

*Niki Chiang*
