

Product Change Notification

PCN#: CIR-20150901

Subject: Product Change Notice for Cervoz Industrial RAM / Standard Series / DDR2 512MB, 1GB & 2GB memory modules

Model: CIR-S2XXSFXX512 / CIR-S2XXSGXX01G / CIR-S2XXSGXX02G

Reason for Change: Samsung has announced "EOL" for 128m x 8 & 64m x 16 products

Description: Since Samsung phases out 1Gb (128m x 8 & 64m x 16) die, Cervoz replaces all affected modules with Promos 1Gb (128m x 8 & 64m x 16) die. The new die has the same fit, form and functions as the old die.

Last Buy Date: 2015.12.31

Last Shipping Date: 2016.06.30

Please note:

- 1) Please check with your Cervoz Sales Representative for last buy arrangement.
- 2) Replacement models are available from today 2015.09.01.

This transition is to ensure a better lead-time and long-term product availability of Cervoz Industrial RAM. Quality, reliability and functionalities of the replacement memory modules remain exactly the same.

Sincerely yours,

Product Management Team
Cervoz Co., Ltd.
