

Product Change Notification

PCN#: CIR-P20160601

Subject: Product Change Notice for Cervoz Industrial RAM Modules

Model: CIR-S3XXSGXX01G / CIR-S3XXSGXX02G

Reason for Change: Samsung upgrades DDR3 1Gb (128Mx8) die in order to advance functions:

1. supports 1600MHz speed and it can backwards support 1333MHz and 1066MHz
2. supports dual voltage, 1.5v and 1.35v

Description: Therefore Cervoz adopts the new die version and announces a “Product Change Notice” of all related products. The new die has the same fit and form as the old die.

Last Purchase Date: 2016.09.30

Last Shipment Date: 2016.12.31

Products Affected:	Replacement Models
CIR-S3DUSG1001G	CIR-S3DUSH1001G
CIR-S3DUSG1002G	CIR-S3DUSH1002G
